

## Flying Fish Paramotor - Training Booking Form

**Paramotoring (or Powered Paragliding) is a risk sport and you must read the safety warnings and be aware of the dangers involved when you choose to undergo training with Flying Fish Paramotor. Any questions regarding the safety aspects please contact Flying Fish Paramotor, or seek independent advice.**

### Terms & Conditions

You will be undertaking in a sport that involves personal risks that could result in personal injury or death. The final decision to act on any instruction you receive will be your responsibility. You may cancel the training or cease to continue the training at any time and will be required to pay for the amount of training received. You will not be expected to pay for damage to equipment because of normal usage, but repair damage and possible replacement must be paid for by the user. Initial payments for booking the training will not be refundable if you do not give 24 hours notice prior to cancellation. You must understand that the sport is weather dependent and training days may be cancelled due to unsuitable conditions. Please call 01773 776 367 or 07973 670 052 the day before to confirm if the training will not be taking place due to the weather.

You will need to bring enough to eat & drink, and wear suitable outdoor clothing with footwear with good ankle support. This sport carries some elements of risk, but with good training and correct use of the equipment the risks can be minimized. We hope your training will help you introduce you to exciting and amazing experiences that flying can provide, but safety is paramount and if you have any doubts regarding the training, environment or equipment please do not fly or seek necessary advice.
